DECISION  
ON PETITION UNDER  
37 CFR 1.137(b)

The "Petition to Revive Under 37 CFR 137(b)" filed on 16 March 2001 in the above-captioned application is hereby **GRANTED** as follows:

In the instant petition, applicants submitted a declaration in compliance with 37 CFR 1.497(a) & (b) and signed by all of the inventors. This is an appropriate response. Moreover, the statement that "the abandonment of the present application was inadvertent and unintentional" has been interpreted as meaning that the "entire delay in filing the required reply from the due date for the reply until the filing of this petition under 37 CFR 1.137(b) was unintentional" as required by 37 CFR 1.137(b)(3). If this is an incorrect interpretation, applicants are requested to notify this office. In addition, all fees have been paid. Accordingly, all requirements under 37 CFR 1.137(b) are satisfied.

Applicants have completed the requirements for acceptance under 35 U.S.C. § 371(c). The application has an international filing date of 14 August 1997, under 35 U.S.C. 363, and a 35 U.S.C. 371(c) date of **16 March 2001**. (It is noted that the 13 September 2000 decision listed an incorrect international filing date of 30 December 1998.) This application is being forwarded to the National Stage Processing Division of the Office of PCT Operations for continued processing.
